- For shell access, use a secure shell client to log into `i6.cims.nyu.edu`. On Unix, this is `ssh`. For Windows machines and Macs, a list of secure clients can be found at:

<http://cims.nyu.edu/u/ssh>

- If you want to change your password you can do so by running `passwd` on `i6.cims.nyu.edu`.
- You can see your account information as well as your print and disk quotas on the portal:

<http://cims.nyu.edu/u/portal>

- Mail to this account will be forwarded to your NYU Home account (<https://globalhome.nyu.edu>).
- Please visit <http://cims.nyu.edu/u/i6> for more information.
- In case of problems, please contact your professor.
